ANALOG WAY®
Pioneer in Analog, Leader in Digital

## Cost effective solution to easily control the presets on LivePremier™, Alta 4K, Midra™ 4K, LiveCore™ and Midra™ series

Recall your presets instantly

The Shot Box² is a cost-effective and compact solution designed to easily operate your Analog Way switchers. Thanks to the 76 physical key buttons, the Shot Box² gives instant access to any of the presets configured on the switcher and its illuminated keys are designed for fault-free operation allowing users to focus on the action and not the user interface.
